

PARTNERS

EURASIAN RESOURCES GROUP (ERG)	Diamond Partner Eurasian Resources Group (ERG) is a leading diversified natural resources producer with integrated mining, processing, energy, logistics and marketing operations.	Kazakhstan	A110
KAZAKHMYS CORPORATION LLC	Gold Partner LLP "Corporation Kazakhmys" is a leading natural resource extraction and processing company, the largest copper producer in Kazakhstan. Production of copper is fully integrated, starting with extraction of ore and ending with production of final products in the form of cathode copper and copper wire	Kazakhstan	A109
KAZ MINERALS PLC	Gold Partner KAZ Minerals PLC is a high growth copper company focused on large scale, low cost, open pit mining in Kazakhstan. It operates the Bozshakol and Aktogay open pit copper mines in the Pavlodar and East Region of Kazakhstan, three underground mines and associated concentrators in the East Region of Kazakhstan and the Bozymchak copper-gold mine in	Kazakhstan	A111
KAZZINC	Gold Partner Kazzinc is a major fully integrated zinc producer with considerable copper, precious metals and lead credits. Kazzinc's core operations are in East-Kazakhstan, Akmola and Karagandy regions of Kazakhstan.	Kazakhstan	A112
POLYMETAL INTERNATIONAL PLC	Gold Partner Polymetal International is one of the world's largest producers of primary silver and is one of Russia's three largest gold mining companies. The Company's production and exploration facilities are based in four regions of Russia - Magadan, Chukotka, Khabarovsk and Sverdlovsk - and in Kazakhstan.	Russia	Non exhibitor
AAENGINEERING GROUP LLP	Bronze Partner The field of activities: <ul style="list-style-type: none"> • Industrial engineering, construction and installation • Open pits & gold processing plants operation • Technical & design supervision • EPC projects implementation • Organization of Clients' projects financing • Clients' projects management • Equipment sales and maintenance for gold processing plants • Special-purpose machinery services 	Kazakhstan	A119
AKTYUBINSK COPPER COMPANY	Silver Partner The Aktymbinsk Copper Company is focused on mining and processing of copper ore and copper zinc ore, with production facilities near the town of Khromtau in Aktymbinsk Region, Kazakhstan.	Kazakhstan	A120
ARCELORMITTAL	Bronze Partner ArcelorMittal is the leader of world steel industry and one of the largest investors in mining and metallurgical sector of the Republic of Kazakhstan.	Kazakhstan	Non exhibitor
Borusan Makina Kazakhstan	Bronze Partner Borusan Makina Kazakhstan - the official dealer of Caterpillar® equipment in Kazakhstan. It has also been representing Caterpillar in Azerbaijan, Georgia, Kyrgyzstan and Russia Far East. BMK is a part of Borusan Holding in Turkey.	Kazakhstan	Non exhibitor
BUSINESS SWEDEN	Bronze Partner Business Sweden's goal is to promote Sweden internationally and enhance the awareness of Sweden as an attractive, innovative and competitive business partner	Russia	A114
DMT	Bronze Partner DMT is a leading international consultancy and provider of engineering services incorporated in TÜV Nord Group . Our services support all stage of mine development and operation from exploration stage onwards.	Germany	A116
ERM EUROPE LIMITED	Bronze Partner Environmental Resources Management (ERM) is the world's leading provider of health & safety, environmental (HSE), risk, social and sustainability consulting services with 160 offices in 40 countries, and an annual global turnover of over US\$750 million.	Russia	Non exhibitor
FLSMIDTH	Bronze Partner With its advanced R&D resources, FLSmidth became a generator of new ideas in the mining industry. FLSmidth has the largest base of installed equipment. The company supplies original equipment for the entire mineral processing and material transportation flowsheet. A few suppliers can offer such a wide range of process equipment and services	Russia	B57

KAI	Bronze Partner KAI Corporate Group is specialized in developing comprehensive program solutions for the mining industry on the basis of the K-MINE geo-information system. The Group has 24 years of practical experience in IT-solutions for the mining production. Its management system has been qualified in accordance with ISO standards.	Ukraine	A114/1
LEICA GEOSYSTEMS / HEXAGON	Bronze Partner HEXAGON (Nasdaq Stockholm: HEXA B, hexagon.com) is a world-wide global supplier of IT solutions – the driver of the outstanding productivity and quality in the geospatial and industrial spheres. The Company has been represented at the market of Kazakhstan for more than 20 years.	Kazakhstan	A116/1
LIEBHERR KAZAKHSTAN LLC	Bronze Partner LIEBHERR is an international company, founded in year 1949. Throughout all history, the LIEBHERR group of companies is family business and is managed by members of the Liebherr family.	Kazakhstan	A115
